PROJECTS

INDUSTRIALLINKS ERP SOFTWARE   Dec 2020-Jun 2021

PT TIGERNIX SOLUTIONS INDONESIA, PT INTEK KARYA

Developed a customized ERP software using the Odoo framework while employed at PT TIGERNIX SOLUTIONS INDONESIA, and PT INTEK KARYA. Streamlined operations with modules covering CRM, inventory, sales, MRP, finance, and human resources.

NAME GUESSING GAME   Jul 2023

PERSONAL PROJECT

This is my personal project. The Guessing Name Game is an interactive web application built with ReactJS and ViteJS. It's a fun and challenging game where the user provides a clue, and the system tries to guess the name based on the given clue.
